

HIKING TOUR TO STENSÖREN - ONE OF SWEDENS HIGHEST SITUATED SHINGLE FIELD!

20th of May, at 10 am ~ 2 pm

Meetingpoint Björsbo, for further journey to Järnblästen

Enjoy a hiking tour from the crofter's holding at Järnblästen to Stensören – one of Sweden's highest situated shingle field. About 5 km hiking return. Bring your own "fika".

The activity must be booked 2 days before day of setting.

Price: 250 SEK/adult, 100 SEK/youth (13-17 years), 0 SEK/children (0-12 years)

Facts about the tour:

Järnblästen is an old crofter's holding, still managed by the family of Skoglund. Here is also a meetingpoint for the four parishes, Forsa, Bergsjö, Ilsbo and Norrbo. Every year a gamebattle is held here between these three. The hiking is on an easy track through deep forest and opens up when we reach the shingle field after about 2 km. If the weather is clear, we get the chance to see the ocean. We take a rest here and explore the great variety of moss and lichen. If time allows we also experience the crofter's holding when we return to Järnblästen.

Equipment:

Equipment of your own as walking shoes, water, rucksack and "clothes after weather" is required. And don't forget to bring your own "fika".

Directions:

Meetingpoint at Björsbo, 25 km NV about Hudiksvall, placed on the northern side of Northern Dellen Lake, between Moviken and Hallbo.
