

HIKING TOUR SEARCHING FOR CHANTERELLES OF ALL KINDS!

At 10 am ~ 2 pm during August and September
Meetingpoint Hallbo, 20 km NV about Hudiksvall

Enjoy a hiking tour to the forest east of the Northern Dellen Lake. We search for chanterelles, for example yellow, funnel or the exotic horn of plenty. Bring your own "fika" and equipment for picking mushrooms.
The activity must be booked 2 days before day of setting.

Price: 250 SEK/adult, 100 SEK/youth (13-17 years), 0 SEK/children (0-12 years)

Facts about the tour:

The deep forests in the eastern area of the Northern Dellen Lake is a perfect place for picking chanterelles. The soil is fertile because of the meteorite collision with the Earth about 90 million years ago. The surrounding mountain make the resources even better for hosting chanterelles. The guide will not take responsibility of picking or eating any other mushrooms except for chanterelles during the activity. The distance depends on the chanterelles supplies of the season.

Equipment:

Equipment of your own as walking shoes, water, rucksack and "clothes after weather" is required. The equipment, needed for the theme activities (for ex. baskets) can be rent or borrowed. And don't forget to bring your own "fika".

Directions:

Meetingpoint at Hallbo, the east coast of the Northern Dellen Lake, where we start searching chanterelles.
